### **"Perth Truck & Trailer Show - Back for 2011"**

The Perth Truck and Trailer Show will be back for 2011 on 29, 30 and 31 July.

Last year's Show was hailed as the biggest one yet, but organisers, the Commercial Vehicle Industry Association (CVIA), are confident of producing an even bigger show next year.

Following the confirmation of the Show's dates, CVIA Chairman Barry Ward said preparations for the 2011 Show were now officially underway.

"The 2009 Show exceeded our expectations, with 120 exhibitors filling all six pavilions of the Perth Convention Exhibition Centre," Mr Ward said.

"With all the excitement in the economy over new projects happening in the resources industry, we're confident that the 2011 Show will be even more successful."

"We are currently working on the prospectus for the 2011 show, which will be out later this year. Anyone interested in receiving a prospectus can contact Premiere Events now to be kept updated on exhibiting at the next Show," he said.
